**ALHAMBRA, Calif.:** [California P.E.O. Home](http://California P.E.O. Home) has recently announced Stephanie Rees, Becky Happach, Lindsay Rees and Kendra Sanchez as new associates at [Redstone](http://Redstone), its newest planned retirement living community. Pending approval, Redstone will be constructed on the site of the organization's current community, Marguerite Gardens, located at North Stoneman Avenue and McLean Street in Alhambra.

"There is a lot of excitement surrounding Redstone, as we plan to transform our existing campus into a brand-new community with a new name," said Bill Platt, California PEO Home C.E.O. "We are committed to bringing our members the best there is to offer in retirement living, including a dedicated team that will work with valued members of our community."

**Stephanie Rees** joins Redstone as the director of sales, where she is responsible for managing the day-to-day operations of the sales staff. Prior to joining the Redstone team, she was a sales analyst with [New Life Management and Development](http://New Life Management and Development), a senior living community developer in Mt. Laurel, N.J.

**Becky Happach** joins Redstone as a retirement living counselor, where she is responsible for future resident relations and helping potential members make moving decisions. Prior to joining the Redstone team, she was a sales representative at Dickson Podley Realtors.

**Lindsay Rees** joins Redstone as a retirement living counselor, where she is responsible for future resident relations and helping potential members make moving decisions. Prior to joining the Redstone team, she was a senior sales counselor at Moldaw Family Residences at 899 Charleston in Palo Alto, Calif.

**Kendra Sanchez** joins Redstone as a marketing assistant, where she is responsible for helping with the daily operations of the marketing and sales office, providing administrative support to the staff, and assisting all marketing and sales efforts as needed. Prior to joining the Redstone team, she was a real estate assistant at Coldwell Banker.

-more-

Redstone will be a progressive retirement living experience that includes 182 one- and two- bedroom independent living apartments in a variety of spacious floor plans, 15 assisted living apartments, 14 memory care suites and underground parking.

In addition, the community will feature a town center complete with innovative experiential dining options, a fitness center, spa, indoor swimming pool, classrooms, activity areas and much more. The community will also have a broad range of services and amenities designed specifically to meet the needs and demands of today's older adults.

### **About Redstone**

Redstone is a legacy of California P.E.O. Home, a provider of residences and healthcare for 75 years. In addition to residential living apartments, Redstone offers coordination of home health services, if ever needed, plus apartments designated for assisted living and memory support. City approval is pending and application has been filed with the California Department of Social Services for approval to accept reservation deposits. Redstone opened a Discovery Center to share information with potential future members in January, located at 1959-A Huntington Drive in Alhambra.
